

Cambiar Nautilus por Nemo:

```
sudo apt purge nautilus gnome-shell-extension-desktop-icons -y
```

```
sudo apt install nemo -y
```

```
xdg-mime default nemo.desktop inode/directory application/x-gnome-saved-search
```

```
gsettings set org.gnome.desktop.background show-desktop-icons false
```

```
gsettings set org.nemo.desktop show-desktop-icons true
```

```
sudo gedit /etc/xdg/autostart/nemo-autostart.desktop
```

Copia este contenido en el fichero:

```
[Desktop Entry]
```

```
Type=Application
```

```
Name=Files
```

```
Exec=nemo-desktop
```

```
OnlyShowIn=GNOME;Unity;
```

```
X-Ubuntu-Gettext-Domain=nemo
```
